Bass (David)	Ibanez Roadstar Pedalboard Ashdown Bass Top Eden 2x10 XLT Eden 1x15 XLT

General requirements

Monitoring:

- If possible: separat monitor engineering
- If not: at least (!) 3 aux-channels
- At least 3 wedges

Miscellaneous:

- Power supply on stage, as well as power access to it from the respective positions of the musicians (5 x 230V AC. its shown in the stageplot, where they have to be)
- If not agreed otherwise, Backline has to be provided and ready-to-use

Light Engineering:

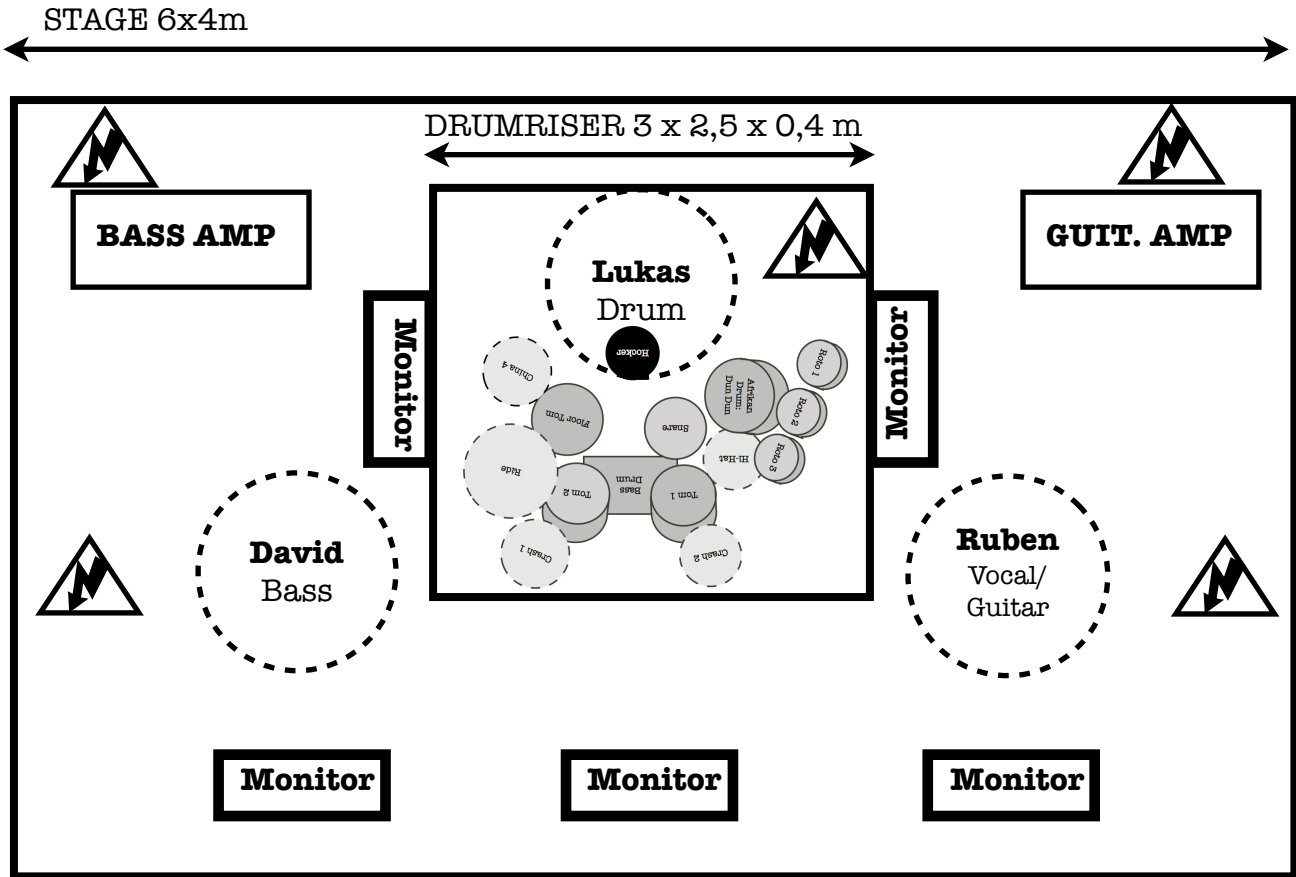

We don't have a light engineer. Therefore, the local light engineer has to set up an appropriate light show. In case of questions or wishes, feel free to contact us.

Catering Rider:

If there is no shop nearby:

- Drinks: Water, Cola & Beer.
- Food: we like Italian food but everything will do

Stageplan:

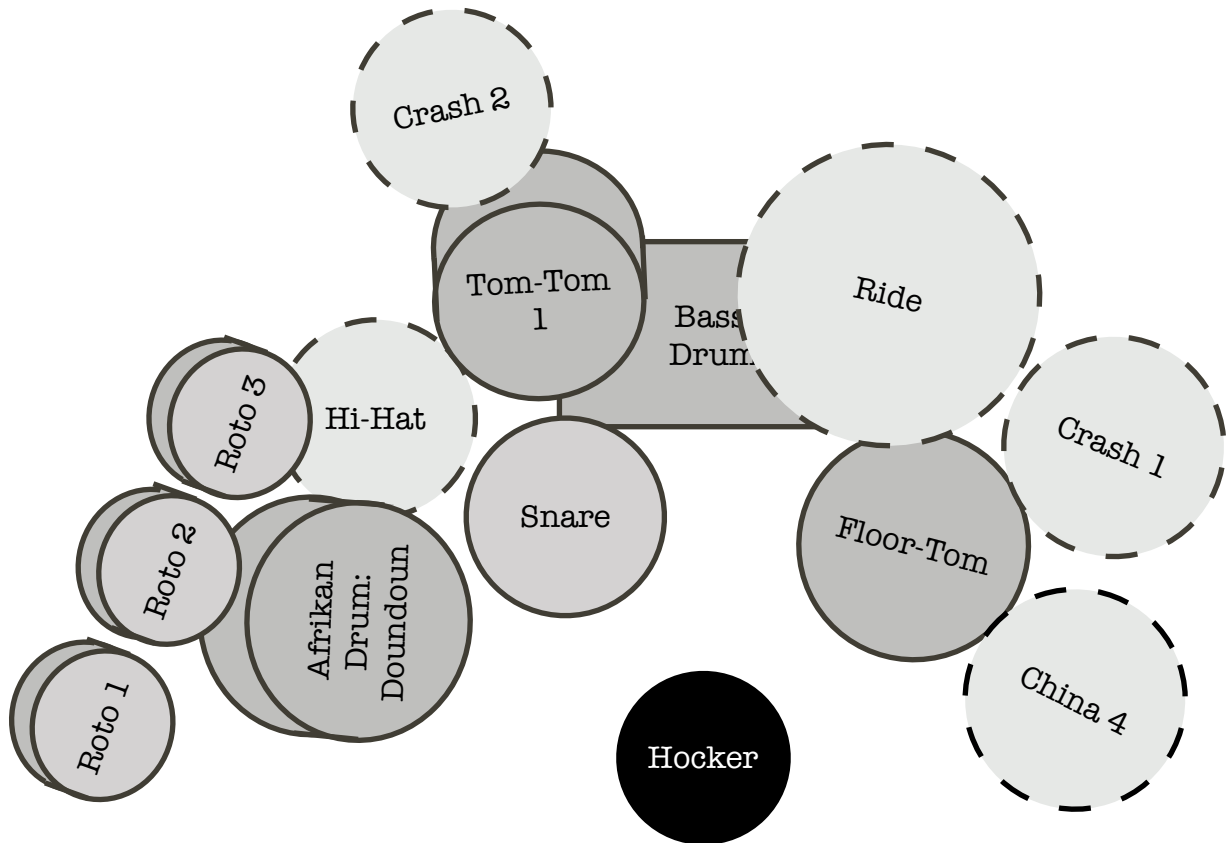

FHO

 = 2x 230 V / AC
